

# Color and count by 10!

## **Answer the questions about page one.**

How many dogs? \_\_\_\_\_

How many turtles? \_\_\_\_\_

How many cats? \_\_\_\_\_

How many goats? \_\_\_\_\_

How many flowers? \_\_\_\_\_

How many lizards? \_\_\_\_\_

How many apples? \_\_\_\_\_

How many birds? \_\_\_\_\_

How many snails? \_\_\_\_\_

How many elephants? \_\_\_\_\_

## **Answer the questions about yourself.**

How old are you? \_\_\_\_\_

How many pets do you have? \_\_\_\_\_

How many books did you read today? \_\_\_\_\_

How many jumping jacks can you do? \_\_\_\_\_

Do you like coloring? \_\_\_\_\_

**Model each number, add ones and tens!**

21 + 50 = \_\_\_\_\_

17 + 20 = \_\_\_\_\_

19 + 80 = \_\_\_\_\_

**Model each number, add ones and tens!**

$73 + 10 = \underline{\hspace{2cm}}$

$90 + 7 = \underline{\hspace{2cm}}$

$44 + 40 = \underline{\hspace{2cm}}$

**Model each number, add ones and tens!**

$22 + 41 = \underline{\hspace{2cm}}$

$36 + 12 = \underline{\hspace{2cm}}$

$52 + 14 = \underline{\hspace{2cm}}$

**Model each number, add ones and tens!**

**18** + **31** = \_\_\_\_\_

**11** + **75** = \_\_\_\_\_

**88** + **1** = \_\_\_\_\_

**Model each number, add ones and tens!**

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$
